NOTES AND ORDERS

For Dkt. Nos. 105, 120, 121, the discovery letters are terminated as discussed on the record. The Court will not accept any further filings relating to a deposition of defendant Eli Lilly's CEO David Ricks until plaintiff Nektar has deposed other witnesses and the circumstances demonstrate that Ricks has unique knowledge.

The Court was advised that Nektar recently received a document production of which it has not yet completed review. Nektar is directed to file a statement by January 6, 2025, identifying which, if any, of the documents it seeks, referenced in Dkt. No. 113, it received in that production. The Court takes under submission the remaining discovery letters. Dkt. Nos. 113, 125.
